

SPARROWHAWK NZ

## 2020 Teams Long Rifle Challenge

**Where:** Located in the hills behind Albury, 15min from Fairlie, 45 min from Timaru.

**When:** 8-9 August 2020.

**Zero:** 7 August from 1200 – 1600hrs

**Cost:** \$400 per team of two

**Meals:** BBQ lunch provided. Please advise of any dietary requirements.

This Challenge will consist of a Team vs Team competition followed by a number of shooting problems.

There will be prone and non-prone shooting including the opportunity to use shooting aides (You will need to provide own shooting aides e.g. shooting sticks/bags). The course of fire is suitable for all fitness levels. Each shooter will need to carry own equipment (but not far).

August around here usually means snow, frost or mud so 4WD access only onto ranges and plenty of warm gears.

The shoot will go on regardless of inclement but not serious weather however there is plenty of time set aside for standing around the campfire keeping warm.

There will be a range available Friday afternoon to zero your rifle, (no other time is available) practice range has 100m on paper and 200-400m on steel.
